Name & address of Industry visited	1. Marina Barrage – No.8, Marina Gardens Dr, Singapore 018951. 2. SCDF – 62, Hill Street, Singapore
Name of the Institute visited	Singapore Institute of Technology (TUM).
Year / Branch / Sec	II –MBA, III – BE(ECE)
No. of Students visited	25 (MBA) + 1 (BE, ECE)
No. of faculty visited	1
Profile of the Industry visited (in 200 words)	<p>Marina Barrage: One key feature of Marina Barrage was a Sustainability & Lifestyle Marketplace featuring over 30 local vendors selling and promoting sustainable products and food. Visitors had the opportunity to interact closely with the local sustainability community and even get involved by participating in an up cycling workshop session!</p> <p>SCDF - The Singapore Civil Defence Force (SCDF) is a uniformed organisation under the purview of the Ministry of Home Affairs. The main role of SCDF is to provide fire-fighting, rescue and emergency medical services; mitigating hazardous materials incidents, as well as formulate, implement and enforce regulations on fire safety and civil defence shelter matters.</p> <p>In 1982, the National Civil Defence Plan was launched which spearheaded the emergency preparedness for the nation. With the enactment of the Civil Defence Act in 1986, SCDF was established as an independent organisation under the Ministry of Home Affairs (MHA). In the same year, the Hotel New World collapse paved the way for joint operations between SCDF and Singapore Fire Service (SFS). Due to the similarity in roles and functions, SCDF and SFS were formally integrated on 15 April 1989.</p>

Objective of the visit	<ol style="list-style-type: none"> 1. To learn about the Industrial operations. 2. To attend the seminar and meet the Industrialist
Outcome of the visit	<ol style="list-style-type: none"> 1. Students learned about industrial operations in International standard. 2. Gained knowledge about AI in business from TUM consultant and current industrial openings in Singapore.
